Mustafa Salihović 12.03.1941. – 28.07.2006.

On Friday, 28th of July 2006 Research and Documentation Center lost its loyal associate and a good friend.

Mustafa Salihović was born in Srebrenica on 12th of March 1941 where he finished his elementary school. He finished high school in Bijeljina and Tuzla. After graduation Mustafa worked for ten years as a teacher. After completion of his study Mustafa worked in sector of Economy in the region of Municipality Srebrenica. He was evacuated to Tuzla from surrounded Srebrenica in the middle of 1993. He died on 29. July 2006. in Sarajevo.

RDC has published book “Plucked Buds of Podrinje” whose author is deceased Mustafa. He will stay in a memory by his huge contribution to the project “Population losses in BiH 92-95”, especially in the Podrinje region (Bratunac, Vlasenica, Zvornik and Srebrenica) which he knows exceptionally. Particularly, he was devoted to the problem of children, where as result of his three years work, the book “Plucked Buds of Podrinje” came into existence.

The Book “Plucked Buds of Podrinje“ was published in November 2005. Beside this book, in 1997 He has published his first collection of short stories “U zagrljaju smrti” as well as poetry book “Prkosi poricanja” in 2000.

For his contribution to our work and development, RDC express its thankfulness and remembrance on our dearest associate and friend.
